Past President: Dick Rathjen

PREZ SAYS, Marilyn Brooks:

- The nominating committee will be contacting members to serve as officers on the board of directors for 2018. Election will occur November 7, since we are dark for the Hoedown 10/28.
- HSRDC has been working hard to make the October 27 and 28 Hoedown a success and fun for everyone. Lee Hailey from Glendale, Arizona is calling and Jerry & Lucy Pate of Georgetown, Texas are cueing.
- October 14 is our Pie Special. If you haven't signed up, please sign up to bring a pie. Jerry Junck is calling.
- Frontier Squares new dance time 7:30 to 9:30 beginning in September has more dancers remaining for the last tip.
- I hope your recovery from the hurricane Harvey is progressing. It was heartwarming to see so many people reach out to those suffering loss and/or relocation. Hurricane Harvey did us no favor in scheduling our class. We are unable to get more than seven returning students.
- Welcome back Nadine and Michael Seymour. They not only rejoined Frontier Squares, which we are thankful, but agreed to serve as class coordinators.
